Subject: **ADVANCE NOTIFICATION OF INTENT TO ADJUST THE AMOUNT OF FUNDING AWARDED TO TWO HOMELESS SERVICE PROJECTS FOR THE CITY OF POMONA**

In accordance with Board policy requiring notification of funding changes to approved projects, this letter is to advise you that the Community Development Commission (Commission) has made a correction in the amount of funding awarded to two projects to be implemented by the City of Pomona under the Homeless and Housing Program Fund City and Community RFP.

The approved Grant Agreement allocated \$913,975 for Community Engagement and Regional Capacity (CERC) and \$1,239,276 for Integrated Housing Outreach Program (IHOP). The amount requested for each program was transposed in the Board Letter. The amounts allocated per program should be \$1,239,276 for CERC and \$913,975 for IHOP. No additional funds are being requested and the total amount of funds awarded to the City of Pomona has not changed.

On April 22, 2008, the Board of Commissioners of the County of Los Angeles approved a grant of funds from the Commission to the City of Pomona for the CERC and IHOP in a total amount of up to \$2,153,251. The grant consisted of Homeless and Housing Program Fund's City and Community Program Funds (HHPF CCP). The CERC program promotes a "Yes In My Backyard" (YIMBY) campaign to address the critical need for expansion of housing and services in SPA 3 and to begin to break down barriers to building all types of housing needed for homeless families and individuals. The IHOP is a collaboration of service providers in the SPA 3 region, for which the City of Pomona is the fiscal agent. As part of the collaboration, a Housing Services Liaison will implement effective homeless and housing continuum-wide systems and provide leadership to the Pomona Continuum of Care Coalition.
